

# John Hatch Junior Tennis Program

## **Safety Protocols for Junior Lessons- 2020/2021 Indoor Season at the Tennis Domes**

- parents should send their child with a filled water bottle and a mask.
- the mask is to be worn while entering and exiting the Clubhouse.
- there will be distinct drop off and pick up times and lesson times have been staggered to avoid overlapping with other groups.
- to avoid congestion, Check In has been eliminated and replaced with payment 7-14 days in advance.
- Juniors and Instructors will have their temperature checked upon arrival.
- Instructors will operate both air lock doors and only Juniors will be allowed entry into the Domes.
- upon entry, Juniors will be divided into small cohort groups.
- from the onset, Juniors will be taught safe zones on the court and social distancing will be emphasized.
- only Instructors will be allowed to touch the balls in the hoppers.
- for serving and for games, Juniors will be issued their own can of tennis balls that only they will use.
- if required, Juniors will be provided with a sanitized loaner racquet.

Last but not least , we are accepting fewer Juniors per Session and the Junior/Instructor ratio has been reduced by 25 per cent.
